Mission Statement

The Manitoba Schools Water Polo League (MSWPL) will promote the benefits of participation in water polo. The league will be a positive environment that provides competitive opportunities in an educational setting for all athletes, coaches and officials.

1. Member

- 1.1 Member is defined as a school who has at least one team registered in good standing with both the league and the Manitoba Water Polo Association (MWPA)
- 1.2 All players must be registered with the MWPA, and therefore Water Polo Canada and meet any subsequent obligations required by these bodies.
- 1.3 Members have one vote each on league management issues.
- 1.4 Members have one vote each at the MWPA Annual Meetings or Special Meetings as defined in the MWPA Constitution.

2. League

- 2.1 The MSWPL is a sub group of the MWPA and is entitled to all benefits there within.
- 2.2 The MSWPL sets its own policies regarding league rules of play and membership within the league.
- 2.3 The MWPA reserves all rights not directly stated or defined within the MSWPL.
- 2.4 The MWPA sanctions all competitions and activities of the MSWPL.
- 2.5 Teams must submit initial team rosters, MWPA Registration forms, MSWPL Athlete Code of Conduct Forms and Coach Code of Conduct Forms to the MWPA office/administrator/league convenor **before the start of the first league game.**

*Rosters must be complete and signed by the school principal to certify the academic status of all athletes.

Player additions made after the league start-up must be accompanied by a new principal signed roster sheet.

3. Team Membership

3.1 Competition will be provided for the following teams:

Varsity: Made up of students from grades 11 – 12, though open to grade 9 – 12 students

Junior Varsity: Made up of students from grades 9 – 10, though open to grade 8 – 10 students

Middle Years: Made up of students from grades 7 – 8, though open to grade 6 – 8 students.

Note #1: Players, who fall in the specified teams above, may not play on any other team. (Eg. Grade 7 cannot play for a HS team – Grade 10 can not play for a MY team.)

Note #2: Any student at a school that does not field a team in the student's attended grade group league will have the option to request and play on a different school grade group league team without prejudice. A "request for transfer" form must be completed.

3.2 Players on a given school team must be attending students of that school, in the stated grade category and under 19 years of age as of September 1st of the league year.

Attending is defined as not graduated and taking a half time load or graduated and taking a half time plus load.

3.3 Registration information on each player must be submitted to the MWPA office or League Convenor prior to participating in any league game.

3.4 Imports will be discouraged, but may be considered on a one-to one basis, with the main criteria being to have athletes playing with the school team closest to their school and within the same school division. **Teams will only be allowed a maximum of 2 transfers.** If there is no team in the athletes' school division or the athlete attends a private school, the athlete will be placed on a team at the discretion of the committee. Stacking of teams or recruitment of athletes to school teams will not be allowed. Athletes wishing to be considered for placement on a team must submit a "request for transfer" form to MWPA Office no later than the announced deadline in order to be considered for placement. If the Management Committee approves an import request the **rationale must be made public to all teams in the League.** Teams have seven days to appeal an import decision that has been made by the Management Committee.

An import is defined as any student not attending that school, including middle years students, and younger.

Imports will not be assigned after the first league games have been played. Teams must make any requests for athlete transfers to the MWPA Office. Such requests will be considered by the management committee.

3.5 Athletes who change schools must play with the school they were registered with as of September 30th of that school year. Students who wish to change teams after this time will be required to file an appeal and have coaches from both the previous school and the new school provide letters to support the appeal.

Each appeal will be considered and results determined by the Management Committee.

3.6 All team members must be registered with the MWPA by the date specified to be eligible for play-offs. (If not specified date will be set for beginning of second round).

3.7 Players barred from further play by the MWPA for whatever reason are also ineligible for play within our league.

3.8 Players on a team's roster must be in attendance for 50% of the league's games in order to be eligible for play-offs. Exceptional circumstances (e.g. medical) may be brought to the attention of the Management Committee in cases where a player has not been able to play 50% of the games.

3.9 Any teams traveling must be sanctioned by the MWPA and must have the appropriate paper work filed prior to any out of town events.

3.10 All teams must have a representative present at the pre-season meeting. Failure to do so will result in a \$50 fine, payable to MWPA prior to their first game. Any unpaid fine will result in a game forfeit.

- Each coach will be presented with blank certificates provided by MWPA for the use of presenting to their respective athletes.

7.1.1 Players who are charged with disrespect (for verbal/physical abuse of official) or brutality calls will be ineligible to receive any individual awards. Coaches guilty of disrespect towards an official will be ineligible to receive Coach of the Year Award.

8. Play-Off Format

8.1 The play-off format is to be designed at the September meeting to reflect membership numbers.

8.1.1 For play-off purposes, ties in league standings to be broken by:

- a) your record against the team you are tied with
- b) goals for/against between the teams that are tied
- c) goals for/against; for the purposes of this rule the maximum goal differential per game is seven goals
- d) number of goals against for that round of play
- e) flip of the coin

The purpose of this policy is to prevent any need for teams to run up the score on a weaker team.

8.2 Players must have participated in at least 50% of their team's league play in order to be eligible for the play-offs. Medical exceptions can be considered by appeal to the Management Committee.

8.3 Two inexcusable defaults during the season or one during play-offs will result in a team's elimination from play-offs. Appeals must be made to the Management Committee within two days of the default. The Management Committee must respond in writing within one week of receipt of the appeal.

Teams unable to field a team on a given schedule date should notify their opponents in advance so the game may be re-scheduled. This re-scheduling must be mutually agreed upon by all parties. Failure to reach an agreement will result in a default for the team that was originally unable to field a team.

8.3.1 Defaults will be recorded as 7-0 losses.

9. League Fees

9.1 The MSWPL shall charge its member teams a league fee sufficient to cover all operating costs including:

- Pool time
- League hats
- Referee fees
- Administration fees

9.2 The MWPA shall be asked each year for an operating grant to help cover the cost of league operations.

9.3 To keep league fees down the league shall consist of approximately 10 league games, dependant on the number of member teams. Play-offs will continue to offer a “minimal format” to keep costs down and avoid “mismatch” games.
