## Summer Program 2016

The Manitoba Water Polo Association is very excited to provide some *NEW* information on the 2016 Summer Provincial Team Program.

Focus of the provincial team for this summer will be on boys and girls born in 2000-01 (exceptional 2002). The program will engage our athletes to play a longer season with a challenging fun trip to play in another country and against different opponents.

- **18U athletes (born in 1998-1999):** will have the opportunity to continue their season and development by participating in the training program only. No formal competition is planned for this age group at this time. 18U athletes are not part of the evaluation camp but may be asked to attend portions of the camp to scrimmage and participate in the drills.
- **16U athletes (born in 2000-01 + exceptional 2002):** Water Polo Canada recently cancelled the “16U North American Championships” which was to be held in Montreal in August. The Provincial Team has been investigating other opportunities for a new competition and training plan that will challenge and excite our athletes. Tentatively, this new plan will include a training camp and competition in California. 16U athletes must attend the evaluation camp.
- **14U athletes born in 2002-03:** may be selected to only the training portion of the program. Exceptional athletes born in 2002 may be selected to the 16U team that travels and competes. 14U athletes who want to participate must attend the evaluation camp.

### Summer Program Outline

- Evaluation Camp for born in 2000-2003 athletes @ Pan Am Pool (Fri, April 22 from 5-730pm & Sun, April 24 from 9-12pm)
  - registration form for the evaluation camp is on the 2<sup>nd</sup> page
  - 18U athletes may be invited to attend to participate in the scrimmages and drills
- Regular Training/Practices May-July (exact schedule TBC but expect 2-5x/week; certain weeks will be less due to school exams)
- Training Camp & Competition in USA for 16U Boys & Girls (8-10 days in length; mid-July; details TBC)\*

*\*With Water Polo Canada cancelling the 16U North American Championships, the Provincial Team has been investigating other opportunities for a new competition and training plan that will challenge and excite our athletes.\**

### Cost

- Evaluation Camp Fee = \$25
- Training and Uniform Fee = \$550
- Estimated Competition fee = ~\$2000

Please Contact the Head Coach if you have any questions and or comments.
