Brenden Pizey Allen, NCCP Certified – Competition Coach

Nominated by Gabriella Nowicki

Coach Brenden is a fantastic coach! Brenden has always supported me and helped me gain confidence in the sport I love!

He's taught me so much and has made it very fun in the process.

Kelsey Johansen, NCCP Certified – Competition Coach

Nominated by Aiden Dueck Thiessen

When I first started playing water polo I wasn't very inspired. When Kelsey started coaching me, I thought she was kind of scary which pushed me harder. After I got to know Coach Kelsey a bit more as a person and as a coach I realized how lucky I was that she cared. Kelsey always gives 100% and pushes my team and I to do our best! She has been the best coach I could have ever asked for!

Congratulations to Kat, Brenden and Kelsey!

On behalf of MWPA, all 3 coaches will receive
a \$50 gift card from the Keg!
